

The soldiers' chimneys

Once, here were the chimneys from the Spanish soldiers' kitchens. On the floor you can still see where they were placed.

Intense aromas came out of these chimneys: tasty dishes, special recipes, each with a story that came from far away.

If you stop for a moment and pay attention, you can smell those magic scents, just like Giobatta the Half-Soldier.

Do you have a favourite recipe?
A recipe that says something about you?

Draw it and leave it here with us.
Those coming here after you can imagine the scent.

Do you want to know more?
Go to Giobatta's bedroom and read the whole story in his diary.
