

The tower's mice

You are at the highest and oldest point of Forte San Giovanni.

Here, Giobatta used to spend hours helping a family of very grumpy mice stop arguing and make peace.

To help them, he'd leave games to distract them.

The mice are gone now.

Do you want to play in their place?

Do you want to know more?

Go to Giobatta's bedroom and read the whole story in his diary.
